To The Secretary to the Government of Madras,

LOCAL AND MUNICIPAL (MEDICAL) Department.

(Through the Accountant-General, Madras.)

Sir,

I have the honour to state that the Superintendent, Headquarter Hospital, South Kanara, proposes again this year to carry on the dieting of the hospital on the departmental purchase system because the acceptance of tender rates involves loss to Government while the system of departmental purchase carried out with a storekeeper and an attendar has proved to be economical and satisfactory. The following table shows the calculation of the different diets of the past year :-

kind

Kind of diets	No.of diets for last year.	Cost at lower tender rates	Cost at current market rates including expenditure of a storekeeper and an attender.
Full diets	9070	6519-1-0	3590-3-4
Half diets	7100	2884-6-0	1959-14-4
Milk diets	155	87-3-0	75-14-2
Spoon diets	487	91-5-0	32-15-7
			624- 0-0 Pay of storekeeper & attender.
	Total	9581-15-0	6282-15-5
		Excess	3298-15-7.

It will be seen from the above that the system of ~~the~~ departmental purchase with an additional expenditure of a storekeeper and an attender saves ~~by~~ Rs.3298-15-7. It is therefore requested that Government will be pleased to extend/the sanction accorded for another year in G.O.No.259 Medical,Mis., dated 28th May 1920 for the appointment temporarily ~~for another year~~ of a storekeeper and an attender on Rs.30/- and Rs.12/- per mensem respectively in the Headquarter Hospital,Mangalore. The expenditure can be met from the budget of the "Mofussil Hospitalsand Dispensaries " for 1921-22.

I have the honour to be,

Sir,

Your most obedient servant,

T. H. Symons

I do not see why we should not try this schemes, although the success of the scheme depends on the hard working of the storekeeper.
